“ *So sorry that you have lost you Mother and Grandmother. So many have not had the love of one that had reached the age of 102. Such memories you all have. I am living in Texas at the moment, I will keep Aunt Francis and your family in my prayers.*

“ *So sorry for your loss but what a good long life your mother lived. I wish I had known your mother better. Since my mother Stella (your Dad's sister) passed away at a young age (51) we lost our contacts sort of with those that lived away from Elmira MI. God Bless you all. May beautiful memories live with you forever. (I and family live in Indianapolis IN but we do get up north ever 4-6 months).*
