“ *Miss Frankie was one of our daughter's preschool teachers and we just adored her. We would see her often on the weekends at Meijer shopping and my daughter always enjoyed that. A couple years after my daughter moved out of her class, my husband figured out that he knew her sons growing up. Such as small world. We were so sorry to here about her struggles in the hospital and eventual passing. She was a lovely woman. May she Rest In Peace. Much love and condolences from the Miller Family.*

“ *She talked so highly about her family and loved her grand children with all her heart. Frankie was a dear friend to me for so many years. And she will be truly missed so much. My heart hurts for all of you and I wish there was something to take your pain away. If words could take away the pain you are feeling right now I would write you a book. I have so many memories with her and I will cherish them for a life time. She was such a wonderful person, she has touched the lives of so many children and mine as well. She will be truly missed. My prayers are with all of you during this time.*

“ Miss Frankie was such a wonderful teacher and person. She was so generous with her time and affection. I am so thankful that my daughter was in her class. We enjoyed seeing Frankie outside of the classroom at breakfast on Sundays. She will be so very missed!

“ She had my kids and especially my daughter at the Woods Tower Child care. She made a huge impact on her. My daughter loves her so much that when we would go to Theo's, she would love to yell "Ms. Frankie!!" after she walked in and run to give Ms Frankie a hug. Frankie would give the kids cards on special occasions with \$2 bills in it. My kids still have them. Thank you Frankie for the impact you had on my kids. You will be missed.

“ We feel so lucky that our first daughter got to experience Miss Frankie in the classroom. She was full of love, and helped our Ally grow so much! We are devastated to hear about Frankie and send our love to her family and friends.
