“ *Best neighbors anyone could ask for. I was lucky enough to grow up next door and then return and finish raising my family next to these wonderful people. Nothing but happy memories. Sorry for your loss MaryAnn and MaryAnn. But I know your wonderful happy memories will help you at this sad time. God bless, Kitty xxoo*

“*Maryann, our deepest condolences to you and your family. You are in our uppermost thoughts.*

*I remember with fondness the time your Mother and Aunt waved at me as I exited our work parking lot downtown. I could not figure out who they were or why they would be waving at me, as I didn't recognize your car. I'll never forget their smiles and waves, as they were so cheerful and friendly to me because they knew me through you. Your mother was lovely and kind and she will be missed.*

*Love & Sympathy,  
Mariuca*
