“ *Sorry, I am just now seeing that Miss Fran Passed. My Mom Anna King was trying to call her today and couldn't get thru so I thought I would try to find a new number and unfortunately I found this. Always Happy memories of your Mom. I'm still using the hand mixer that she bought me for my shower 30 years ago. She made sure she bought a better one that she recommended instead of the cheaper one I registered for. LOL. Again we are so sorry for your loss.*

“ *My dear Aunt Fran. My heart is filled with sadness knowing you are no longer with us on this earth. We hit it off so well from the first time we met, and I loved when you would come by my office by the St. Clair Shores Library with goodie bags filled with chocolate almond biscotti, canollis, pitzillis (sp.), mini eclairs, and other scrumptious edibles from your kitchen. I enjoyed stopping by to surprise you sometimes on my way home from work, usually finding you out back putzing in your garden. Between you and Virg, I should have had the most gorgeous yard downriver, but I didn't have the magic touch the two of you did. Now I'll just have to keep those memories close to my heart, and remember all the wonderful times we shared. Rest in peace sweet lady, and hug as kiss all those who have gone before. You are now gone from sight, but never from our hearts. You will be sadly missed. Rest comfortably now in the arms of our Lord.*
