Daymon J. Hartley - October 18, 2015 at 11:27 AM

“ We were so blessed with many fond memories of growing up on Beaupre with all the large families. Mr. Hartley was always so warm and loving. We had a special bond that was/is so unique as neighbors, friends and extended family. To my Hartley/Beaupre siblings I am so sorry for your loss. Although the years have taken the Beaupre families down different paths, the wonderful memories of friendship and fun will always bring a smile to my face and lift my spirits! You were blessed by the Lord with a very wonderful father a friend to many and a genuinely good guy. Your family will all be in my thoughts and prayers during this difficult time and may you find comfort in knowing that he is in the care of our loving Lord. Rochelle Mark-Haire

“ Frank was the most honorable person. I had the pleasure of working with him at the Polk Company. He was an executive that anyone could approach. He was the guy that bucked the system and got things changed for the better. I was lucky enough he invited me to join the OBA group and shared many great memories enjoying the "nectar of the gods" and "get the net" comments he made daily. RIP my friend, you were a man that made changes and I'm sure Lon Pruit, Dick Bradley, and you are teaching everyone in heaven how to fish and laugh. RIP my friend, it is an honor to call you my friend.
