“ Frank, what can we say? Our friendship has lasted 30 years and we sure had some great times together. Backyard parties, Las Vegas vacations, bus trips, ball games, the meet up's for dinners and everything else. We have shared so much together and you'll always be family. Our hearts are broken and we will miss you dearly. We will celebrate you each week. Watch over all of us as you relax with an Ultra in hand. Love you forever!! Your “stepchildren” Craig, Lori and Mom too ❤️

A lot of great memories of your dad, all those parties back in the day at your dads and the parties in the basement, your dad was always so cool to be around and talk with are memories I'll never forget! God Bless!
