“ *I had the pleasure of working with Frank at Binson's for many years. He was a sweet, kind, protective and loving soul. He did have a great sense of humor and we would joke. He always made sure our entry and leaving the building was safe. What a gentleman. Through Facebook we were able to keep some contact. Frank I will miss you. You were a special man I was lucky to call my friend. Rest in peace dear friend.*

“ *I worked with Franco many years at Binsons.. we shared many laughs and many tears. He will be greatly missed.. He was my co-worker but more importantly my friend.. We kept in touch over the years after he left and I will greatly miss him. I will miss his sense of humor that many people didn't realize he had. I will miss his caring and warm heart. Most of all, I will miss his friendship.. Rest in Peace Franco and laugh with the Angels..*

“ *Frank was a great guy...I worked with him at Binson's and when we was coming into the business office early Frank would be there watching and waiting for us at the side door to let us in so we wouldn't have to walk all the way around in the dark. He was very protective of us. I enjoyed all of our conversations. RIP my friend.*
