“ *I'm so very sad that Frank didn't make it. He put up a good fight. He was such a positive, friendly, and kind person. I won't be able to make it to the funeral, but you are all in my thoughts and prayers.*

“ *My prayers are with your entire friends and family who knew Frank. He was never without a smile or kind word or offer of friendship to any one. I was blessed to have known him and he will leave a very big void in this world. May God lead you to peace.*
