*My Mother was truly blessed to have been friends' with Frank and Paula. I was fortunate to have met them through my Mother & to have shared that part of her life. While Paula would pick up the other ladies in the church group, Frank would pick my Mom & I up, drive us to St. Rene's Church and then to dinner. I am just glad that I got to know Frank and I will always remember him smiling.
Rest in Peace Frank!*

“ *I worked with Frank for many years, where he became known to me as a honest, hard working, knowledgeable, professional and dedicated engineer. He was instrumental in bringing engineering and manufacturing closer together.*

Frank was a major contributor to the success of the 4.3 L engine.

I am sorry that I won't be able to attend, since I am out of town at this time.

Please accept my sincere condolences. May Frank rest in peace!

Frank I'm so glad your pain is gone. You will be missed by people not in your family too. I loved the camping vacations when you and Paula were there (even though you moteled it,) LOL. The last trip was great fun and loved that you became a true camper at Outdoor Adventures. A lovely created memory for me of you and Paula. Rest in Peace my friend. Till I see you again. Frank, you were and are a constant source of inspiration to me. You are a man of great faith in Our Lord and Savior Jesus Christ. You always had loving concern for others and manifested what Christian Living was all about. Thanks for being my very good friend.
