“ We are very sorry for the loss of such a great man. He loved his family and our friend Lee. He was so caring and would do anything to help anyone. We will miss seeing him and talking to him. I am glad that he and Lee got to visit Florida this year. He really enjoyed it. Rest In Peace dear Fred.

“ To Fred, Judy, Mary and the entire Whisnant Family, my heart aches for your loss, I am so very sorry. Please know that I too feel your pain, you are not alone. Many feel the loss of this amazing man, Fred Whisnant Jr. As I write these words from my heart I pray they bring some extra comfort to each of you. Facing the reality of what has happened is heart wrenching. We each have our memories of times shared and these memories will keep Fred's spirit alive and well as we keep him close in mind and heart, forever, never to part. I've been friends with Mary for many years, blessed in being able to be part of this wonderful family. In recent years, Mr. Whisnant and I have had the opportunity to share more time sitting and having some great talks. He loved it when I was able to bring some extra love his way in the form of soup, chili, or even Christmas cookies. It gave us special time together, and as an added bonus, I was able to play with Rusty his beloved friend who he loved dearly. Sometimes I would drop the goodies off at the door, and he would call later to thank me. Those calls were so welcomed, he was always so kind, always asking how I was, I loved this man, this great father, this kind soul. I will miss him as will so many others. But we must celebrate life for this will be an ongoing party which I will always attend until we meet again in Heaven where his spirit now resides. My loving faith is true and strong and I believe my dear friend, Mr. Whisnant is in the arms of our Father God. I believe that he traveled safely to the great vast unknown to be greeted by those who traveled before him and welcomed him home. He is with his dear loving wife and son together again in the name of love. My prayers of love, deep comfort and peace are with each of you during this most difficult time. I will always embrace within my heart the treasured times shared with my friend.... Much Love XO

From all in USMA car club Fred will be another of our founders that will be missed. Fred and I met up in the 70's with cool cars and fun things to do with old hot rods. I tried to get him to let loose of his Yellow 31 Ford Coupe for ever. Such a great guy to just talk hot rodding with. To the family, losing Dad is always a traumatic time, from the staff, friends at United Street Machines Assoc. you have our sincere condolences.
