“ To the family of Fred Scott: I am so very sorry to hear of this sudden loss. I enjoyed seeing and talking with Fred whenever I came to visit my Michigan family. He was always friendly and kind to me, and even though he did not know me all that well, he always had a big hug for me. My prayers and thoughts are with his Dad and family, and Gina, the children and all who loved him. From Aunt Paula

“ It has been awhile Freddy since we have seen you. Nevertheless, I will always remember our great times together when we lived under the same roof. Lots of fun and lots of laughter.

May God speed the time your family needs to quickly heal their hearts of not having you near them and look for the day ?that will? come when they can smile and remember you with great joy and happiness and not the sadness that you are not with them. The memories you left for many of us is what we will hold onto for the days to come to heal our hearts. God Speed Freddy!
Will miss you always,
Your one-time "favorite" cousin, Michelle (lol!) and Hank.
