“ *More than half a century- Kus and I were friends.*

First met at Our Lady of LaSalette in 5th grade and carried forward even though he went to Berkeley High and I to St James. Still whatever the pause in time, we picked up where we left off, that's true friendship and I'm lucky to have had Kus as one.

I'm sure he's joined Pete & Canfield and, if possible, causing some little bit of disruption.

God bless, Frank

“ *"Mickey" as we used to call him in grade school at Our Lady of La Salette school in Berkley was a great friend. I grew up on the next block behind Mike's house - we used to hop the back fence when we wanted to hang out together. As children we played football, rode bikes and had BB gun wars & adventures in the woods and vacant land that would become subdivisions in Southfield. Later, we enjoyed Mike's first car, a 1957 Ford that brought him instant fame - first guy in the neighborhood to get his own car! No more walking to Berkley High School. So many good memories of our childhood and high school. Sad to hear of Mike's passing, my sincere condolences to the family.
Peace to you, Mickey.*
