“ Dear Garmo Family and Friends,

My condolences to all of you and may Gage be at peace. I did not know Gage but as a previous RHS Falcon I was deeply saddened to hear about his loss. He is a person to look up to for how strong he was. Just seeing some of the tributes, Gage has left his print that will not forgotten and may that give you all peace or help your heavy hearts.

“ Ghais Tina and Gracie,

When Jeff and I brought the kids out to Michigan I was so impressed how polite Gage was. So happy and his beautiful smile lit up!! Looking at Gage I could see how well the two of you did as parents bringing him up. My son stills remembers all of you playing ball that day and he said Gage didn't want to stop he was having so much fun!! We all love all the stories Jeff would tell us over the years about Gage (G2) It fills my heart how much Gage is loved! Gracie now has a guardian angel with her forever! We love you all. Embrace the love of eachother and keep eachother strong!! Gage will always be in our hearts ❤️

“ Heaven has gained such a beautiful angel to watch over all of his loved ones he leaves behind. I recently came across Gage's story and couldn't go the day without checking up to see how things were going. I was very, very saddened to hear of Gage's passing, he was obviously quite a fighter. He battled this cancer multiple times and no child should ever have to deal with this. He should be young, free of concern, enjoying life without the "C" word. I know you'd give anything to have him back and keep him here, but please remember that he is FREE now. That doesn't bring you much comfort when this is your child, your life, your love, but I lost my 27 yr old brother 15 yrs ago to a brain tumor. I would give the world to have him back, but I also would never want him to suffer a second longer. Gage is the same. And I'm sure he left this world, no doubt, surrounded by soooo much love and warmth from a family he obviously loved so dearly. I am thrilled to know he met his idol before he passed, I'm sure it lit up his world and he deserved it very much. What a wonderful gift for him to receive and all the respect to Eminem. Looking thru your pictures and Gage's as well, it is clear that you have a very loving family and that you gave Gage Heaven on earth. He was such a gorgeous young man with such bravery and courage, not to mention strength and determination. I want you to know that your precious son, although here for only a short 17 yrs, has left you with a million beautiful memories-his gift to you all for giving him a wonderful life on earth. He is with you always, will never leave your side, just as you all have never left his. I pray for you all, that you feel the warmth of Gage's love and beautiful spirit, and that you are wrapped in it tightly during this terribly painful and difficult time. He would want it not other way. You all took care of him while he was here and now, he would want you all to take care of yourselves. I read that Gage's 18th birthday is on Friday. I will release a balloon for him, in honor and in memory of such a brave and beautiful young man. Gage will live on forever, in all of you and that is such a blessing. Please accept my deepest sympathy and please lean on one another for support....Sleep softly beautiful Gage.

“ I first met Gage when he was maybe 3 or 4 years old taking my Niece over to Tina's to see her father Thomas. Gage was such a sweet child. when we had some family gatherings such as birthday parties or bbq get togethers my mother and my Niece would enjoy watching lil Gage run around as well as Cristle, Gage and neighborhood kids chasing each other playing tag games and such. its really to bad I did not get to see much of Gage as he got older and in his Teen years but its also really sad how he suffered all those years, his life was just starting out. The Patterson Family sends our Deepest of Sympathy of your loss. We Miss you Gage such a warm hearted Gentlemen taken way to soon.

“ Tina and family, it's heart wrenching to hear, via the media, that someone you know has passed. But, no matter the pain, the way Gage touched so many lives must be what holds you up right now. I'm so terribly sorry for your loss. Losing a child, is the hardest.

“ Ghais and Tina...our hearts and prayers are with you during this most difficult time. Hope you can feel our love. Gage was such a wonderful inspiration to so many people...especially all his friends. I've read and watched so many articles, videos and stories these last few days...all about your wonderful beautiful son. I remember you bringing him over a few times on different Halloweens.....and one time with Graci when she was just barely walking. I know how proud you are of your son and all the good he brought in to this world. May God's blessing be forever with you.

“ At this time of need may Jehovah, the God of all comfort be with the family. Psalms 147:3 says "He heals the brokenhearted; He binds up their wounds." I hope these words bring comfort now and in the months to come.

“ We cannot put into words how much sorrow we feel for you all. Gage means so much to so many. We pray that you find comfort in knowing what an impact he made on many lives. His time here was a blessing, his compassion for others, his strength, words of wisdom, smiles, jokes, encouragement & support has given him a legacy no one can deny.

He means a great deal to our son & made a tremendous impact on his outlook on life. Chris always found strength, comfort, love and hope from his friendship & brotherhood with Gage that has shaped him into a better person.

We thank you for raising such a beautiful person and for sharing him with us.

“ *Thoughts, prayers and sympathy to the Garmo Family. I did not know your family personally, but I followed Gage's story as I also lost a son due to Osteosarcoma six years ago. May God give you peace during this very difficult time. It sounds like Gage, as my son did, lived a very full life during his young life. He fought a gallant and courageous battle. May he fly with the Angels.*

“ I remember a couple years ago gage and a couple of his friends came over to hang out with me. My tiny dog scared all of the guy because she likes to bark at new people. They ran out of my house so fast I couldn't believe it. It was so funny. I tried to get them to come in my house again that day and they all agreed that they would be better off outside.

“ Gage was a brother to me. And his family is my family. An i will take care of them as i would my own. Gage left me with the best group of brothers in the world and he taught me to be humble for everything. So for that. I love gage and the whole garmo family. I will always be here for them.
