Gail Gruenburg, a beloved mother, wife, sister, aunt, and friend, passed away on June 17, 2025, at the age of 69. Born on March 5, 1956, in Detroit, Michigan. Gail's light touched the lives of countless individuals throughout her life with her warmth, kindness, laughter, and dedication to helping others, especially children.

Gail is survived by her husband Eric, daughter Gretchen, sister Dawnn, brother Roy, nieces and nephews Kensington, Savannah, and Alex, step-daughter Jessica, step-grandson Sam, and her cousins Dana, Drew, Dean, and their children. She is preceded in death by her beloved parents, Roy and Kay, and little sister, Carole.

Gail's legacy and impact on the world will be felt through the lives of the many countless people she touched. She brought humor and light to the difficult work of child protective services as a social worker and made many friends through her decades-long sobriety fellowship. She was warm, kind, intelligent, and funny, and had a deep love for animals, traveling, dancing, history, music, genealogy, politics, and nature.

She will be greatly missed by those who loved her, but always remembered with love and adoration. She lived as an example of the power of kindness, friendship, and education.

A memorial and service have been planned where the family invites all who were touched by her bright light to attend.

“ I went to high school with Gail. She had a calm pleasant kindness that always showed through. I reconnected at class reunions and that same kind hearted way was exhibited. My condolences and prayers to family and friends.

“ I (17 yrs old) was walking Gail (14 yrs old) back to her home from a house party at midnight; Warren Police stopped us, asking our names, what we were “up to” at midnight, where we were going, etc; Warren Police let me take Gail to her home (no problem)!

“ On June 24, 1995 my daughter delivered twins at 26 weeks gestation. As she was being EMS'd from St Clair to St. John's hospital, I called Gail, from a pay phone from the I94 rest stop. She beat me to the hospital and stayed until the twins were out of surgery and nestled into their NICU incubator. While you would never want to have that experience, you want a "Gail" by your side, holding your hand and comforting you. She was a loving soul who "showed up" for life, love and friendship and the world is a little less spectacular without her. I miss you my friend.
