“ *Butch was a great guy and a generous classmate. He donated the entire cost of a pig roast, including all the "fixins", for one of our class reunions. Wyandotte High School Class of 1956 missed him at the last reunion and will remember him at the next one. Thanks for the memories, Butch. Rest in peace.*

“ *One of my favorite memories of Garfield is when I would be walking my dog, Gracie. He would see us and always call to us. Your dad was one of Gracie's most favorite people. She would take off as fast as she could go to him. Then we would sit in his garage and talk. I will miss this so much. I am so glad we became friends and he will be missed. Also, I am glad to know his loving family.*

*Lovingly,*

“ *So sorry to hear of Butch passing. He has been a great friend to me. Helping me through a sad time when my husband passed. Calling me or emailing me once a week asking me how I was doing. Always had a big heart. He will be missed so much. Love ya handsome.*
