“ *I knew Gary from the old car shows and cruises. He always had a good story to tell, and a terrific sense of humor. He was the one who coined the nickname for my wife Diane - "Hotrod Annie". He certainly cared deeply for his family and we loved seeing all the efforts he put into his Pontiac LeMans. We will miss you, Gary!*

“ Karen, my condolences to you and your family on your loss. I will always remember Gary from the USMA car shows and how much he enjoyed them. Even if he was not always feeling well he still had a positive attitude and smile on his face. When Rockin' Ronnie would play the Oldies music you and Gary would get up and dance along with the music just like you were at a sock hop from the old days. May the memories of your times together help get you through these difficult times.
