“ I got to know Gary through two years of auto shop at Fitzgerald. It's hard to believe it was thirty years ago, but I remember him as a very dedicated assistant to Mr. Huhn and a all around nice guy. Rest in peace Gary.

“ I remember Gary when I had my paper route on Atlantic in the late 70's and when he was an assistant at the auto shop in Fitzgerald High School in the early 80's when I was a student there - he was always friendly to everyone and was always willing to lend a hand - God Bless

“ We have lived on Atlantic for eight years and Gary was apart of our everyday life. Not many days past that I did not see Gary riding his bike, doing yardwork or talking to the neighbors. He was a great person and we are going to miss him.
