

Gary Winters

April 20, 1935 - November 18, 2019

Beloved husband of the late Lois for 60 years.

Loving father of Linda (Craig) Smith, Brenda (Ben) Naber and Gary Winters Jr.

Dear grandfather of Michael (Nicole) Smith, Katelyn (Matt) Magner, Sean Winters, Benjamin Naber II and Dean (Caitlin) Winters.

Great grandfather of Joey Smith, Natalie Smith, Emily Magner and Jack Magner.

For most of his life he worked at Plant 21 in Detroit and at the end of his career he retired with 35 years at General Motors. After his retirement, Gary spent the last 25 years living and enjoying life with his wife, Lois, at their house on Gun Lake. While living at Gun Lake he enjoyed golf and was an avid fisherman. After the passing of his wife, Gary moved to Waterford to live with his son, Gary Jr., but would continue to visit Gun Lake. Gary was very spiritual and involved heavily in Epiphany Lutheran Church in Dorr, Michigan. Even in his last few days he wondered how everyone was doing before himself. Gary was a very gentle soul and always ended conversations with, "I love you and give them all a hug for me."

“ My Uncle Gary was always a loving soft spoken man. On November 18th he was greeted in heaven by open arms and kisses all over his face by his beautiful bride the love of his life, my God mother Lois. I have many life time memories of spending my summers with them going to camp Dearborn, Uncle Arnie and Aunt Dorothy's cabin. Taking my young cousin's to the park by their house. I remember him getting a bit angry when I was 13 and got my ears pierced and he said "If God wanted you to have holes in your ears he would have put them there". Now two people will be greatly missed, but they are once again happy together.

LOVE AND HUGS TO EVERYONE
