“ *I cared for Gene as I was her care manager 5 days of the week. I loved Gene like my own grandmother and enjoyed sitting with her and getting to know more about her. She liked to talk about the books she was reading and loved arranging her flowers. She always cared for others and prayed for others. I prayed for her to get better. I was always happy to see her and to see her smile made my happy. She was a good friend to others and was very sweet. . She will truly be missed by many.*

“ Dearest Auntie Gencia,

Our Matriarch and friend. You shared a wealth of knowledge and adventures with your nieces, nephews and grandchildren. Thank you for remembering me (Charisse), Janice and Margaret every time you vacationed in Florida with Uncle Walter. You always brought us back the treasures you labored for on the beaches (sea shells galore). Thank you for being a prayer warrior. You will be missed my (Sophia). I used to call Auntie Gencia, Sophia Loren because she was so timeless, beautiful and elegant. A classy lady, who loved God. We celebrate your life today Pra Ciocia. Thank you for all the kisses you gave me on Monday. Love you. your great niece, Charisse
