“ *Beautiful lady, always had a smile and kind hello. I will miss her pea soup, she made the best and always made extra and I was one of the lucky recipient of it. Rest in peace.*

“ *I am so sad to hear of Gene's passing. She was such a kind lady. I always asked what kind of crafts are you doing.....I did purchase a few from her. You will be missed.*

“ *I'm So sorry for your loss Diane. You were a wonderful daughter and friend to your mother. I remember you telling me all about your weekend adventures and vacations with your mom. Take this time and reflect on all the good memories you two shared. I will be keeping you and your family in my prayers during this time of need.*

“ *DeeDee and Louise, We are Pat (Marshall) Potter and Polly Marshall. We went to Regina with you. You lived on Edmore (if memory serves me correctly). We wish you sympathy and send you both prayers. Please also accept our sympathy for the passing of your dad and your sister, Laurie. We were not aware they had died. I remember when we (DeeDee and Pat) were in 9th grade and got to be out of school for 2 days because of a snowstorm. You, your sisters, and you Mom and Dad all played outside in the snow. Guess It's a silly memory, but I will never forget it because I thought it was so very cool.*

You and Louise are in our thoughts and prayers. Still think of both of you often. Great going to Regina with you. Many great memories!

Affectionally,

Polly Marshall and Pat (Marshall) Potter
