“ *My sister, Jenny, as we called her, was a wonderful knitter and loved her times with my daughter Kim & Miles, Kary, Bruce and Brett. Jenny spent many summers with us in California. She and I, have had many times praying the Rosary together during childhood and as adults. I praise God for having her as my sister. May she be at Peace with the Lord.*
Lovingly,

When we were growing up in California Aunt Jenny would often spend the summers with our family.

She enjoyed taking long walks and was like the "Pied Piper" as 5 out of 6 of my siblings would follow her to the shopping mall where she would buy each of us an ice cream cone for 5 cents.

I think the happiest time of her life was when she was married to her kind and loving husband Bob Benson.

Over her long life she had many bouts of severe depression and she could be quite ornery especially to those who loved her and whom she loved .

In the last few years of her life she would tell me she was ready to go home and be with the Lord.

I am ever grateful that my husband Miles and I were able to visit with her about two weeks before she passed.

We would often pray together and ask God to give her the strength for each day.

As I reflect on the difficulties she faced in her final years I am reminded of Psalms 107:28-31

" Then they cried out to the Lord in their trouble, and He brought them out of their distress. He stilled the storm to a whisper and the waves of the sea were hushed. They were glad when it grew calm and He guided them to their desired haven.

Let them give thanks to the Lord for His unfailing love".

Though I miss her very much I am at peace know she is with her savior.

Aunt Jenny would always join in the fun when she was at her different assisted living places. She also took some wonderful trips years ago. All her pictures showed how much fun she had. So thankful she had some good memories and is now at peace and with her beloved husband Bob. Kathy
