“ *Eva and Katie,*

So sad to hear about George. Even though you guys were far away we always felt a great connection with you. Going back to the days when George's parent's were alive we will never forget my Grandfather getting us on the road at 3:00 in the morning to take that trip to Michigan. Also will always remember the Michigan clan rolling in to 118 Fairfield Ave. to see Uncle Armand's car hood up in the driveway and the entire family rolling in for a large family gathering just in time for dinner.

We always enjoyed seeing you guys and wished we lived closer. George will always be remebered as a GREAT guy with a special sense of humor and we will never forget his laugh. We will miss him dearly.

Really wish we could of taken the trip from Ct. for the funeral but due to the travel restrictions it was not possible.

All of the family from Ct. are thinking of you during this sad time.

Love always,

Joe, Mary and Family
