“ I only knew and worked with George a few short years before he retired, but I can say he was a good man and he was the go to guy when it came to welding. I am glad that I had to opportunity to know and work with him. He surely will be miss by all. Rest in Peace George.

“ I believe I first met George at the end of the 80's when we 1st worked on the Jeep ZJ. Our relationship continued on and off with the various Jeep products at JNAP until my retirement in '06. I always had the greatest respect for George as a person, for his work ethic and his job knowledge. And I think he felt the same way about me. This notice was such a shock! I know that George will be sorely missed by those who knew him. All of my sympathy go out to the Bialas family. May God stand by you and help you through this. *Al Wantland - Toledo, OH*
