“ Mark and family
Many great memories of your dad. One of the few we could talk serious car stuff with. He'll be missed.

“ Peace to you, George. It was a privilege to know you. Steve always enjoyed car talk with you. Say "Hi" to dad; he was such a fan of yours and you two can once again enjoy time together.

“ *Mark and family, Mindy and our family were so sorry to hear of the passing of your father. George was an enormous influence on Formula Vee racing as well as being a great innovator and engine builder. I always enjoyed my conversations with him and hearing his stories. The FV community has lost a great patriot. You will be in our thoughts and prayers*
