“ *Dear Karen & Sharon,
I am so very sorry to hear about the passing of your dear dad.
"George" in our house was such a special friend to my dad and family. I have many memories stopping at his house to visit or just to pick up the mail, while he went to St. Louis. He made the neighborhood very special for us. I'm sorry we missed the service but the family is in our hearts and prayers.*

“ Dear Karen and Sharon, We are so sorry to hear about your Dad. We didn't get the voice mail until Tuesday about 10 am. We would have come to the services... George was a special friend to both of us.

He was the coffee guy at work, when he retired he would still do the shopping. Dave would pick up the coffee and bring it to the office. Remember he would come and work Bingo at St. Brendan's with us. Dave would attend the retirees lunch if he was in the city on the correct Tuesday.

George will be in our prayers. He will be missed.

“ I can't believe that George will not be calling to remind me about our monthly breakfast date with our friends from Cass Tech. Our group will never forget his kindness, thoughtfulness, and "humor". Our sincere sympathy to his family whom he deeply loved and is so proud of.

"I will miss him very much"

“ Sharon and Karen,

I am so sorry to hear about the passing of your father. I remember him being a true gentleman who always made me feel welcome. My mom also sends her condolences and would often say, "What a nice man". Maybe you can find a little comfort in knowing that after almost 40 years he and your mother are together again. The both of you and your families will be in my thoughts and prayers in the days and weeks to follow. Once again I'm very sorry for your loss.
