“ *Dear Barham family my condolences on your loss. The many years with CHATHAMS knowing Jerry who I remember as a pretty great guy. I worked in the stores so my exposure to Jerry was very limited. My prayers are with your FAMILY at this time of your loss.*

“ Dea, Jeff, and Kelli,
I am truly sorry for the loss of your husband, father and best friend. I'll never forget Gerry and how awesome of a man and neighbor he was to me and my family. He helped me so much from loaning me tools to blowing my snow. I'll also never forget our outings to the Tigers and Red Wings game. Just rest in knowing that he loved you all with all of his heart and now he's at peace with our Lord and Savior. May GOD BLESS and be with you.

“ *Deanna, Jeff & Kelli,
Before I married into the family I came to Michigan with Donna and family for the weekend. Jerry's whole family made me feel special. It was almost like I had known Jerry all my life. It still continues today after 48 great years. Jerry was a man of compassion. We don't find that quality in many people today. Jerry and Dea always welcomed us and we enjoyed every minute. He loved those Tigers. We have a void in our life that cannot be replaced. Deanna, Jeff and Kelli thanks for being there for Jerry. You will remain in our thoughts and prayers. Our Love, Jerry & Donna(Or as Jerry would say "one of my noisy cousins from Chicago) Or Ralph!! It always made us laugh.*

“ Jerry, my best friend. He was the best friend anyone could ever have. Jerry was the real deal, always ready to listen to or help everyone. Over 50 years of memories, one thing I'll miss the most we could both make eye contact and start to laugh so hard we couldn't stand up.
Jerry you will be missed by me, your family, friends and the world.
Heaven was made for people like you.

“ Prayers to all of you, I did not "know" Jerry in the traditional sense, but followed him on his facebook page- He must have been an amazing man, so many loved him (and continue to do so) Bless you all with peace and comfort. Margo Schmidt

“ Where to begin? He was one of my amazing Uncles!!!! This may sound stupid but this is what sticks out the most, well, 2 things. He invited us to the Tigers game at Comerica Park, we sat on the 3rd level on the first base line. It was awesome. I think it was a Little Caesar family thingy. The next is when his face lit up at Destiny's first birthday party. He was just beginning to show more frequent signs of his illness, so it was pretty special to see the emotions so clearly. He had a ball with all the kids. We love you all!
