“ *The man that brave the sky and put crazy E up there with him! Had many good times with Jerry. He was a hard worker too, working with him on the bread route and sharing a drink after work I got to see how hard he worked in his life and the pride he took in doing a good job. He was smart man, and interesting. I loved having the chance to get to now him. Rest in peace, say hello to Grandma for me
XOXO EB*
