“ One of my favorite moments with Jerry was Jerry cracking up / bursting out laughing, when I snapped the handle of the shower brush when I stepped on it.

Other funny moments happened, when he told me that he was going to kick my butt, when I was stretching his legs!

I very much enjoyed spending time with Jerry, Anne & Rolan. Anne & Rolan always made me feel welcome in their home -like I was part of their family!

Jerry will certainly be missed - but the memories I have (for the short period of time I got to spend time with him / got to know him) will last forever!

Kindly,
Patrick "The Shower Guy"
