“ *Babcia...she was always welcoming and warm to me weather I was at her house or Nick & Matt's. Loved the food and the conversations. I'd get the best hugs from her and she always made me feel she enjoyed my stories no matter how many times she heard them.*

“ Auntie Geri always had a hug and a kiss and a kind word for me  
whenever we saw her. She was always so welcoming and warm-  
hearted. I remember how she would always hold my hands when  
she talked with me. Auntie Geri took the time to talk and listen and  
make me feel special and important. We are praying for her and for  
the family.
