“ *Jerry you will be deeply missed. Hurting Hearts they say heal in time. We all are now fortunate to have another special angel above to watch over us and to help heal with our loss. I spent many great years with you always remembering wonderful memories, laughter, and always loved. You were a friend to all. Sending you and your family prayers and hugs at this time. RIP*

“ *Mr. Jer...you will be forever in our hearts. Your kindness, humor and love can never be replaced. We were so blessed to have you as our friend. Thank you for all of the wonderful memories. RIP Dear Friend.*

To the family, please accept our condolences and our prayers during this difficult time.
