“ Gerry and Harriett you were always a couple of of my closest friends. I miss and love you both. I will never forget the times that we shared. There is a huge hole in my heart knowing I will never be able to hear your laugh. FUGAWEE lives forever.

“ I am sorry to hear about the death of your love ones. Do you know that Jesus promised a future at (John 5:28,29) which says that do not be amazed but those in the memorial tombs will hear Jesus' voice and come out. Also notice another scripture at (Acts 24:15) which says that there is going to be a resurrection for both the righteous and the unrighteous this scripture is very confronting and also notice another thought at (Revelation 21:4) says death will be no more neither will mourning nor outcry nor pain be anymore the former things have passed away. These all the times I am looking forward to see my love ones that I had lost.. I hope this thought confronts you and your family and my love goes out to you and your family
