“ To Friend Diane and Family, We're saddened to learn of the passing of our friend, Glenn. We happily remember the many good times we all shared together at our annually-rented cottage on Harsen's Island with my dad, and joined other Harsen's friends like yourselves; the many fun times at your beautiful home, at the 'Turkey Shoot', at Sans Souci, and at our Saturday-night get-togethers at the Mid-Chanel Country Club with the ol' gang. Our hope is that such happy memories will buoy your spirits at this sad time. Glenn was both a gentleman AND a gentle man, a great provider, a 'foreseer', a successful businessman, a great gardener, fun person and a good friend. Sorry we didn't know him longer, but the 'South's loss' was surely 'Michigan's gain'! Godspeed, Glenn and Slainte!

“ My sincere condolences go out to the family of Mr. Glenn Barnes, I am a long time employee of Barnes Industries and had many conversations with him. He loved to talk Tigers baseball with me which I always enjoyed. He will be sorely missed around the shop, always had input and wanted things done his way, which must have been the right way to be so successful over the years. I have met and worked with 2 of his son's, Glenn and Wayne and I am sorry for their loss as well as the rest of his family. RIP Mr. Barnes
