“ *Dear Cousin Gracie,
A few memories I have of when we were kids: When you did Bullwinkle J. Moose imitations and Annie did Rocket the Flying Squirrel imitations. We went to see the Beatles at Olympia Stadium, you and Annie on the main floor while your dad, Uncle Bob, and I were up in the rafters! And riding in your GTO convertible with Annie and your friends cruising Woodward and Telegraph. And standing up as a bridesmaid in your wedding. Thanks for the memories. Rest in peace, Gracie. Amen*

ME

“ *Grace is my cousin, and our families were
very close growing up. One memory that
always makes me laugh was when we were
all teenagers (or younger). The Beatles were
all the rage and driving all teenage girls out of
their minds! They played a televised concert and all the cousins
were were in the living room watching. Gracie, Annie and a couple
of cousins were jumping up and down, singing, screaming,
shrieking, dancing and crying with their hands all UP in their ratted
up hair! It was so loud and exciting! And hilarious. I've missed you,
Gracie. Thanks for that happy memory, and so many others. May
you rest in comfort and peace. Peace and blessings to your family.
Amen.*

LA

“ We've known Grace and her family since we all moved into our new homes in our Troy subdivision in 1973. We helped lay each others grass sod & became friends. In 1975 we started spending weekends at White Lake & Mio, Michigan with their family. We have wonderful memories and photos of that time together in our lives. Grace was always willing to lend a helping hand and had wonderful times with not only Grace, but also George who has a great sense of humor. We drifted apart when Grace & George were helping to raise their grandsons, but she, and the whole family have always been special to us. Grace, you will be missed and we love you. May you rest in peace
