

Gregory Alan Pennington

January 6, 1964 - May 28, 2015

Age 51.

Talented airbrush artist and custom car builder from Warren, MI, passed suddenly in Venice, Florida.

Greg's artwork was sought nationwide, as his art talent was versatile, ranging from paintings on hot rods to murals on mirrors and walls. His flame rendition on corvettes and custom cars were regarded as the best in the business, even surpassing those of his late father, Ridler award winner Jerry Pennington.

Greg is survived by his mother Joann, son Shane, daughter Michelle, brothers Ed (Phyllis) and Jerry (Carol). Sister Cindy (Ron) Chevrier. Five nieces and nephews, many aunts, uncles and cousins.

Greg had many loves, including roasting the tires of his supercharged 23 C-Cab, riding his Harley, playing golf, watching the Red Wings, befriending anyone that needed a friend and enjoying life to the fullest.

He was loved by many and will be greatly missed.

In lieu of flowers, Greg would have wanted donations to a local charity in need in the Metro Detroit area. Please do so in Greg's honor.

“ Like many others, there are just too many great memories to be able to pick just one. So, I am going to say that Greg holds a special place in my heart, from the first time I met him through my husband, to the last time we spent together. I was so thankful that he started to post more often on FB allowing us to chat more often because of this social media. Gonna miss your craziness, your life spirit, your laugh, and your talent. Definitely will be raising our glasses to the heavens to honor you and your life these next few days. Thank you for being a part of my life. Love to all the Pennington's. ~Teresa
