“ *Helen, Always kind and very generous. I remember Helen and Walter were at every major event in their grandson's life. He was the apple of their eye. They were so proud of him. You could see it on their faces. They were beaming at pride when they greeted us. Such a loving couple, back together again. Prayers to the entire family. Rest In Peace Helen. Karen Succarde*

“ Oh sweet Helen. I had the absolute pleasure, honor and blessing of knowing and working together with you for over 50 years! What a joy. I can say without equivocation that you were truly one of the finest human beings I've ever known. Smart. Caring. Dedicated. Hard-working. And so loyal. I can't begin to express how much you contributed to the success of our family business. Perhaps the greatest compliment is to say that "you were like family to us". Thank you for being a role model and friend for all these many years. May you rest in peace and may your family take comfort in a life so well lived as a wife, mother and grandmother. You will be missed but you leave behind an enviable legacy.

Love,
Jim Michelson
