“ *Helen was such a sweet beautiful lady that I had the pleasure of meeting and took care of. Helen Adopted me as her granddaughter the week before she passed. Thank you for accepting me as one of your own and thank you to you and your beautiful family for allowing me to care for her. Helen is truly missed. I love you dearly and I will always remember you telling me and me telling you how much we loved each other. I'm going to miss our little dances too 😞. Heaven has Gained a beautiful Angel. You are now at peace and with your husband and sister. Watch over us all, love you my special Angel 🙏❤️*

“ My wonderful Aunt Helen Talented in so many ways. I will always remember her sitting at the table singing in polish swaying to the song. That was one of our last visits at her house. That day will always be forever in my memory. She was sharp, knowledgeable, creative until the end. I truly admired her and she was a great inspiration. I know she is Happy because I know she is with Uncle Gabby and her sisters. I Love you Aunt Helena I know your at peace . You will always be in my heart

“ "My sweet Helen" I really will miss her. Shore Pointe will not be the same without my Helen. Helen expressed to me how much she loved her family in several conversations. Helen will always hold a special place in my heart. Please know Helen was ready to be with her loved ones in heaven , especially her sister. I hope you all find peace knowing this. Helen expressed to me in several conversations that her daughter n law meant alot to her and how much she loved her. I really enjoyed Helen and spending time with her . Everyone at Shore Pointe has been very sad about the passing of Helen. We will pray for you all in finding peace. Helen is at peace now. We thank you for giving us the opportunity to care for Helen. God bless you all, and we love you Helen
