“ *Helen was a loving person. She couldn't do enough for you. She was a joy when she would come in volunteering at Holy Cross Hospital and St. John Northeast. She didn't know my parent but she always took time to send them a birthday or get well card signing it "H.H." She was one energetic person. Many a times I would see her and her friend, Henrietta, walking down Schoenerr doing the 5K for St. John Macomb Hosp. I am so fortunate that she was part of my life. She will be missed.*

“ *From the family of Sylvia & Cass Wasung, our deepest sympathy. I recall meeting Helen when my parents volunteered at Holy Cross Hospital (now St. John) for many years. She was a beautiful person, always caring. She was a good friend to my mother, constantly sending uplifting cards. I can still picture the petite handwriting and the precious notes - many my mom held on to for years. What a pleasure to have known such a strong, special woman! Our prayers are with you.*

“Helen will be missed by many. She was a great lady with loving kindness in all she did for others. I knew her when we both worked at Holy Cross Hospital where she volunteered for many years and where she met my dad as a patient and every since that time she sent him and my mom a note every holiday til he died. She did this for many others. She was someone who will be remembered by many for her love and great smile and for her large heart which she gave freely.

“Helen is a very great soul who taught me so much about the loving character of Christ. I never met anyone as spiritually alive as Helen. She tragically lost her mother at a very young age, but Helen courageously never let such terrible tragedy pull her down. Helen lived her life fully for God - faithfully serving others over many decades even when she was 90 years old. What a magnificent example of Jesus I will keep in my heart and mind for the rest of my life. I love you Helen - and someday I will see you face to face on the other side to share many more service adventures together!
