“ *What a truly great person God put on this earth. A person that brought so much Love and kindness to, not only her family, but to everyone she met. I will miss sending her letters from Weirton and New Cumberland. She will be truly missed. Love You Auntie Helen.

“ *Liz, Terry and family, We are so sorry to hear about your Mom Helen. Like so many others I received a Christmas card and a family update along with a personal message from her every Christmas and we enjoyed writing back to her. God certainly blessed her with a very long and loving life. I know everyone will miss her but no one will ever forget her. With love your cousin Ron and the Zumer family.*
