“ *My memory is that Helena was married to my father Boleslaw Gorny for 26 years until his death in 2002. I find it a shame that my father was not respected enough to be acknowledged as her husband as if he never existed. Out of respect and honor of my father and on behalf of the Gorny family we send our condolences.*

It's funny how someone is made to sound like a Saint when in actuality they were mean & evil. She was an evil STEPMONSTER
