

## Hules Lee Bolton

September 27, 1929 - December 7, 2020

Hules Lee Bolton, age 91, of Warren, MI, passed away on Monday, December 7, 2020. He was born on September 27, 1929 in Guntersville, Alabama to his parents Robert and Fannie Bolton and was one of five siblings. He worked on a farm with his family for many years. He had many nieces and nephews that he kept in contact with and was blessed to have seen most of them at a family reunion in June 2012. He loved sharing all the stories about their lives growing up in Alabama.

In 1959 when he was 30 years old, Hules, enlisted in the U.S. Army. He was honorably discharged on October 13, 1962 and received a Good Conduct Medal. He worked at Briggs Manufacturing until they moved out of state and he took a job at Chrysler. He retired from Chrysler on December 31, 1998.

He moved to Michigan after he was discharged from the Army. He loved to tell stories of how he had a picture of the woman he would marry in his dreams. When he met her he said she was the one he was meant to spend the rest of his life with. He married his late wife, Irene Rogers, on December 7, 1969 and accepted her five children as his own. They were happily married until her death in December 2003. He was a loving husband, father, grandfather, great grandfather, great great grandfather, uncle and friend. Everyone who knew Hules fell in love with him, he was truly a southern gentleman.

He is survived by his children: Margaret Staniszewski (The late Chester), Mary Ann (Daniel) Wisniewski, Connie (deceased) and (John) Gisevan, Wanda Rogers and Eddie (Naomi) Rogers. “ *Dear Mary Ann, Danny and family,*

*Our sympathy goes out to all of you on the loss of Lee. We all have our favorite stories to tell about Lee which I'm sure most of you already know about. You promised your mother that you would take good care of Lee and for 17 years you both were good and faithful servants. He was lucky to have you in his life. For those of us who believe, life has not ended, it just has changed. Death never comes on time, it either comes too early or too late. You both were with Lee night and day the last two weeks before he went into the hospital, staying awake with him during the night. He is now free from all worldly pain. May the Good Lord continue to bless you and your family always. Love the Wisniewski, Reesman, and Langley families.*

“ This is a picture of my mom and dad at our wedding in 1973. You can see how much they loved each other. He went to see our mom on their 51st wedding anniversary. I guess he didn't want to spend another one without her at his side.
