“ Hey Nancy, So sorry to hear of your Mothers passing. I am the guy who starting in about 1950 lived next for all those years with all my sisters. I did love your parents very much even though I lived in fear that I might damage your Dad's front lawn one day. We measured spring by the flowers on his weeping umbrella tree between us. Your Mom till my last visit always called me Billy. A sign that she was a friend from way back. May you now know the comforting Grace of the Lord Jesus at this time of her Passing. Bill Bjerk

“ Dear Nancy and family, I just heard about your mom. We will all miss her wonderful smile and contagious laugh! She was a joy. All our childhood was spent next door on Cyman Street! Those were good times. Your parents were so kind to all of us. She loved her home and family. I am glad to have know her all these years and will be praying as you adjust to life without her. As you know our mom died just 2 weeks before yours and we miss her so! Sincerely, Nancy (Bjerk) Fielden

“ Dear Nancy and family,
What great memories I have of your mom. From growing up next door to one day owning our family home and being a neighbor again. I remember when my sister Janice and I painted the fence between our lots. What a hard, messy job. And the pink tree! It was just beautiful. We have chatted a lot over the years. Although my mom moved from away a while ago, she would frequently ask if we knew how your mom was doing. We lost our mom on Jan. 1st so I know how you feel right now. Take care. I will be praying for you and your family. Please let me know if I can help in any way.

“ Dear Nancy and family,
So sorry to hear about your mom. She was loved by our whole family. I remember many times talking to her and your dad over the fence between our houses. She used to drive by our house over the years and would stop and we would talk about old times. She loved you so much Nancy. We just lost our mom on Jan. 1st. Our moms were very special to us. Love and hugs,

“ Dear Nancy,
Read your Mom's obit and recognized the picture immediately. Love her smile.
I remember both your parents lovingly. My Mom died in 1990 and would be
99 today, Jan. 16. I'm in South Carolina but have my house for sale and hope to move back to Michigan, which will always be home. If you ever care to catch up, I'm in the phone book.
Love,
