“ *When our loved ones die, we mourn. And we may ask: ‘What has happened to them? Are they suffering? Are they watching over us? Can we help them? Will we ever see them again?’*  
*Jesus Christ spoke about the condition of the dead. He did so with regard to Lazarus, a man whom he knew well and who had died. Jesus told his disciples: “Lazarus our friend has gone to rest.” The disciples thought that Jesus meant that Lazarus was resting in sleep, recovering from an illness. They were wrong. Jesus explained: “Lazarus has died.” (John 11:11-14) Notice that Jesus compared death to rest and sleep. Please visit [jw.org](http://jw.org) for more comfort from the bible.*
