“ 365 days, one full year without you and not a single day has been easier than the last. I think about you every second of everyday. I hope you're somewhere warm, waiting for me <3. Until we meet again in every life after this, I'll love you until I take my last breath. Forever granny's baby!

“ I am one of Dean's great nieces'. I loved her dearly and enjoyed visiting with her when she used to come for visit to Tennessee. And used to talk to her on the phone whenever I could when she would call her sister (my grandmother Alice). I love you Aunt Dean with my whole heart. Your not suffering anymore. Heaven has gained such a beautiful angel! -Carolyn- (From Tennessee)

“ I loved my sister very much and will miss her greatly. She and I talked a couple of times a week. She loved her family and helped many with their needs. Rest in peace dear Dean.
