“ *Bessa and Emica I am so sorry to hear about Ivanka. I never met such a beautiful spirited family. I worked with Ivanka for a short period of time and I never saw her again. May her soul rest in peace.*

My Condolence,

“ *All our thoughts and prayers for your family during this time of sorrow! Emica your Mom and Dad treated me just like family from the first time I met them! I will always remember them! Not to mention the wonderful soup, strudel and cookies, the wine and your Dad's freshly slaughtered lamb. Never were there harder working, generous and loving parents. I am so glad to have known them. All our love, Janet Eveland and family*

“ *Grandma today was so hard.. and I had so many memories I wanted to get up and tell everyone but the words just wouldn't come out. Gabe and I will miss you, he's also struggling with this as we loved you very much. I was there as you left us to go visit Grandpa in heaven, and although that was hard to witness I am so glad that you're in peace now. Holidays will never be the same, and of course we'll miss your soup. You always came bearing gifts, big or small they showed how you were always thinking of us. I can't bring Gabe over on Halloween anymore to collect his candy and show you another costume we made for him, but I know you'll be watching him from above as he grows up into an amazing young man. It seems like yesterday I was that little kid playing in your basement pretending to be the bartender, or acting like a monkey on the poles of the clothesline, hanging out on the picnic table underneath the grape vines just enjoying family. You were there for all my life's biggest moments and I have so many more that I wish I'd be able to share with you. Rest peacefully Grandma.... Taja.... Always in our hearts!*

“ *Going to miss this beautiful lady with a heart of gold. My sister loved to chat with Ivanka and hear about her family, she was so proud of them. Ivanka always had the best garden around and freely shared tomatoes and cucumbers with the neighbors. I will think of my good friend every time I pass the Stajninger's house. You are with your beloved Ivan now.*
