“ *My dad was Glenn Gardner. He shared a dining room table at Cherrywood with Izzat. Izzat was so polite and would always pray before his meals. His children were good to him and always had a friendly greeting when I'd go to help my dad. Prayers for his entire family during this difficult time.*

“ *We lived across the street for years and he always had a kind word for my wife Gloria and me. His family always made it a point to say hi to me and Gloria. When Gloria was in the hospital somehow he snuck in to visit her. What a good man and gob bless you all*
