“ I remember spending many holidays at aunt Jackie's as a child. She taught me to cross stitch and always sat with my sister and I to talk. I always left with a fully belly and feeling loved. She will be greatly missed ❤️💔❤️

“ Jackie, was truly one of the most selfless people that ever lived. She loved me like son, listen to me cry like a mother, and she always always made sure I had enough to eat. She was a blessing, and I know God has rewarded her for her constant care for others. She will be missed greatly by all who's lives were touched by her boundless compassion and energy.

My dear sister you left Gary and me too soon. If I had a problem you would help me figure it out. It was usually about something to do with the computer. You were very patient with me! There are so many things I could go on about. Bob and I looked forward to the holidays and your great meals! Know that you will always be in my heart. You will be missed by a lot of family and friends. wish I could be there. I love you Jackie.
