“ *Although I'm not acquainted with your family I'd like to extend my deepest sympathy for your loss of loved one Mr Ballard last year. People don't realize that as time elapses the pain still is felt from a loss. It is my hope that your family can take comfort in learning that Jesus Christ, through God's Kingdom will soon do away with death forever. God will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces.??Isaiah 25:8. We also have a loving hope to see our dead loved ones again, (Acts 24:15) and I have hope toward God, which hope these [men] themselves also entertain, that there is going to be a resurrection of both the righteous and the unrighteous." Lastly a loving God would never take someone from people that love them.?With evil things God cannot be tried nor does he himself try anyone.? (James 1:13). These thoughts have comforted me during loss and I hope it helps your family too*

“ I worked with Jim at the Troy Post Office. He never took on the easier job, he always handled the presort pallets and never complained about the work load. He was a dear sweet man, his beautiful hands would get so dry he would tape them up and keep on going. It was an honor to be a coworker of his. He had common sense something that is lost today on so many individuals. Enernal Rest grant unto him O Lord may Jim be with you this day in Heaven.

“ Jimmy was a Great Guy with an incredible work ethic and a Deep love of Family.He was always the Peace keeper on Our shift. With his Famous "wait a while" line he would stop all of us to listen to what He had to say. He Commanded and DESERVED the respect of the whole office. He was No Nonsense and Straight forward always. He trained almost everyone (including Mgt.) It was an Honor ~ and My Privilege to have Known such a Man. Peace Be With You Jimmy

“ *Dear Aunt Yaeko, Patricia, Bob, James, and Emeline,
Julie says "I love my Great Uncle Jimmy, and I cried my eyes out
when I heard he died, but I know he will have a great time in heaven
and he can hear us now! :-) He was special because he honored
our country by being an enlisted man. I'm glad I got to spend the
Ballard Family Reunion with him and sing Happy 80 & 1/2 Birthday!"
From Elaine, Ray, Bob, and families: we understand your loss.
Sending you love, sympathy, peace, and blessings.*
