“ Dearest Chorazyczewski family,

Please accept our sincerest condolences on your loss. You have been in our thoughts and will continue to be in our prayers. Our wish is that you find peace and strength at this very difficult time and may your hearts soon be filled with the memories of your times together. I know that Jim has many special memories of being with Jim and he will carry them close to his heart. Jim was truly a gem and such a pleasure to be with and will be missed.

“ Dear Marie, Jeff (Lisa), Dennis (Doreen), and Lisa (Brian). Our hearts are heavy and words can't express the sadness we are feeling for your loss. Dear "Jim" was all about family: a loving and devoted husband / father / grandfather and son. And he was a great neighbor and friend to us. He always made everyone feel welcome - an example for all of us to follow.

It has been 40 years since we first became neighbors and friends on Leason Street. We considered you as part of our extended family as we shared all of life's joys and tears - weddings, graduations, communions, funerals, and most of all "Leason block parties." And even though you moved away, you were still part of the "Leason" family. It was great to see Jim at our last block party last September.

Wish we could be with you during this difficult time. Remember that you are in our thoughts and prayers and we are with you in spirit.

If we can help you in any way, don't hesitate to let us know. We will be home the beginning of April.

All our love and sympathy, Barb and Ken Milczynski

“ Jim is the son of my godmother, Helena Chorazyczweski. As a teenager he took upon himself the responsibility to be my babysitter. The decades have not erased my memories of his sweet and kind nature. May he rest in peace! My sympathy to his family.

“ For over twenty-two years, Mr. C has been part of the Lawrence family. In many ways, I have always thought of him as more like an uncle, than just Jeff's dad or Lisa's father-in-law. We have shared joyous family celebrations like weddings, births, religious sacraments and many birthdays. Holidays were special because we spent them as one big family. Easter breakfast will not be the same this year. I will always remember how truly welcoming and generous he was when I would come to Lexington. He wanted everyone to be together and everyone to have a good time! He will always be up there with us! I admired his courage and strength as he battled his horrible disease. I know he has inspired his children and grandchildren with a strong work ethic and sense of family. I pray all the Chorazyczewskis find comfort in their memories. Love you all!
