

James Michael Grobbel

August 20, 1934 - March 17, 2026

James “Jim” Grobbel, age 91, of Warren, Michigan, passed away on March 17, 2026, leaving behind a life defined by love, faith, hard work, and deep devotion to family.

Jim was a man who worked tirelessly to provide the very best for those he loved. At the center of his life was his beloved wife, Shirley Grobbel, his partner and best friend of 66 years. Together, they built a life filled with love, laughter, and shared joy—often found as the last couple on the dance floor during the anniversary song, a lasting symbol of their enduring bond.

Family was always Jim’s greatest pride and joy. He was a devoted father to his five children—Ron (Sue), Gerard (Lisa), Barb (Lonnie), Michelle (PJ), and Phil (Jennifer)—and a loving grandfather (14) and great-grandfather (25). He found immense happiness in cheering on his grandchildren and great-grandchildren at their sporting events, where his voice could always be heard above the crowd. His presence was unmistakable, and his support unwavering.

Raised as a farm boy alongside nine siblings, Jim carried the values of hard work, resilience, and humility throughout his life. He also proudly served his country in the United States Army.

A man of strong Catholic faith, Jim was deeply committed to his beliefs and

could often be found praying the rosary. His faith guided him and was a quiet but powerful presence in his daily life.

Jim had a deep love for the outdoors and took great pride in the home he built in Warren, where he cultivated a large garden, a flourishing apple orchard, and, in later years, a cherished dahlia flower garden. He also treasured time spent at his property and hunting cabin in Tustin, where he enjoyed hunting, snowmobiling, playing cards, and making lifelong memories with family and friends.

He loved to travel and embraced adventure, most notably a remarkable four-month camper journey from Michigan to Alaska and back. Winters were often spent in Florida with Shirley, where Jim enjoyed playing bocce ball—whether in organized leagues or just for fun. His love for the game was so great that he later installed a bocce court at his Michigan home.

Jim was known for his joyful spirit and love of togetherness. He was an avid euchre player, always ready for a game that could last for hours. Friends and family knew his signature move well—the enthusiastic “knuckle thump” on the table followed by a triumphant “Euchre!”—a sure sign you were in good company. He also enjoyed square dancing and traveling with friends, always embracing time spent with others.

He had a generous and thoughtful heart, often collecting returnable cans to take his children and grandchildren out for ice cream—simple moments that became lasting memories. He also had a special love for his dogs, especially Lucy, who brought him great companionship.

Above all, Jim’s life was centered on love—love for his wife, his family, his faith, and the many simple joys that made life meaningful. His legacy lives on in the countless memories he created and the deep love he shared so freely.

He will be deeply missed and forever remembered.

“ Jim & wife Shirley rented winters in our community of Rapallo in Estero FL for many, many years. And they were irreplaceable, and SO giving our their time and talents -- not only to our Bocce program, but the Ravioli Workshops (over a dozen yrs) and special neighborhood Luaus. Both Shirley and Jim left an indelible mark on our hearts! They are sorely missed here. Our love to Shirley and all the family. Tony + Sally Caputo

“ *Heaven has gained another Angel!!
Mr. Grobbel was an amazing man.
Jim and Shirley have been our neighbors for 20+ years. We couldn't have been more blessed to know them.
Our property backs up to theirs. From
Our family room window had a "birds eye" view of their Apple tree's and garden. Often would see Jim out, tending to his tree's and garden from
Sun up to Sun down, while in his 70's and 80's. My wife and I were always in awe of his stamina and energy. Over the years Jim and I had many conversations
By my backyard fence while I was doing my own yard work. We are honored to
have known him. Our prayers are with
Shirley and his family 🙏🥹*

“ My deepest condolences to the Grobbel family. Barb was a great hygienist in my office for many years , and I was blessed to have Jim and Shirley and Barb’s family as patients during those great years. It was always obvious to me the love and strong family bond throughout the three generations I was able to treat. A strong sense of family and faith is a legacy that will endure for many more generations in Jim’s family. I always said to Barb that I used to enjoy her parents appointment time in my office because their sincerity and love for each other was palpable and created a warm feeling throughout the office. They were a calming presence and you couldn’t help but smile when you were with them. I feel very blessed to have had Jim as a patient for many years, it was an honor to treat Jim and his wonderful family. Barb, may you find comfort in your family and faith during this difficult time, God bless all of you.

My daughter Genny married into the family. When we went to meet Kyle's Grandpa Jim I knew immediately we were blessed because our whole family referred to him as Grandpa Jim and Grandma Shirley that's how he made us feel so loved as his own not just the in-laws! I will forever remember my daughter's wedding because Grandpa Jim filled it with his beautiful dahlias. It was truly an honor and a blessing to have known him, wish we could've had more time but I know we will have an eternity in Heaven someday. Rest in peace Grandpa Jim.
