“ I was so shocked to hear this news. I am so sorry about this tremendous loss. I haven't seen Jim in years but remember he was always smiling and making us laugh. Thinking about Jill, Ashley, and Brooke right now.

“ Jim was the funniest guy around when I was growing up. His presence was always positive and comforting too. I always felt at home when we were around the Homrockys. He was a great friend to my parents and will never be forgotten by me or my family. It feels like it was just yesterday that I was running around the corner of the stairs to the basement where the adults would play cards. Once I got there, he would always tell me that I'm a great kid. Thank you for all the good memories, Mr. Homrocky

“ Taking our kids trick-or-treating with a beer in our travel cups was the best time! Playing cards in the basement and Jim yelling "CHAD! Come here!" is a close 2nd. Jim was the funnest and kindest person. My deepest sympaththy to the Homrocky family. I feel lucky to have known Jim in my life. May the pain fade and the wonderful memories take over in your hearts over time.
